

The Jericho School
 For Children With Autism and
 Other Developmental Disabilities

The Jericho School is celebrating 12 years of service to the families in this community who have children with autism and other developmental disabilities. We are proud of our School, Clinic and Outreach Program, which have provided quality services and education to over 500 families.

The Jericho School is a private, non-profit school. The tuition does not cover the cost to provide the individualized programs for each student. Your generosity will enable us to continue our mission to help each child reach their full potential.

The Jericho School is a unique school that provides a science-based curriculum utilizing the principles of Applied Behavior Analysis and Verbal Behavior. We invite you to learn more about our school by visiting our website: www.thejerichoschool.org
